

CHILD-FRIENDLY COMMITMENT TO CHILD SAFETY

1 Safe Environment

Every child is supported to feel safe and cared for.

2 Respectful Voice

Children's opinions and feelings are listened to and valued.

3 Cooperative Play

Activities encourage cooperation, teamwork, and safe play.

4 Be Yourself

Children's identities and backgrounds are respected.

5 Accessible Support

Staff are available to help if a child feels worried or unsure.

6 Clear Rules

Simple rules are in place to ensure safety and wellbeing for all.

7 Monitoring Wellbeing

Children's wellbeing is observed, and support is provided when needed.

8 Growth and Learning

Programs support children's learning, health, confidence, and development.

How we keep children safe – Healthy Cities Australia

- Safe People - All staff, volunteers, and contractors complete child-safe training and follow clear policies.
- Safe Spaces - Programs and environments are checked regularly to prevent accidents or harm.
- Safe Participation - Activities are designed to include everyone, adapting to different abilities and cultural needs.
- Safe Reporting - Any concerns about safety are taken seriously and reported to appropriate staff members.
- Safe Practices - NSW Child Safe Standards are followed, policies are reviewed regularly, and improvements are made when needed.
